Director's Message

Summer is in full swing, which brings with it many exciting events taking place at your library.

The months of July and August will be busy, as we will continue our annual Summer Movie Series and our Summer Reading Program. This year's theme is "Build A Better World!" Our launch party and Touch-A-Truck event brought over 100 kids to the library. Many thanks to the Police, Fire, EMS and Public Works departments for helping our kids have a great time with your vehicles.

All of our regular programming continues, including Toddler Time, Story Time, Foreign Film Nights, Game Nights and LEGO Story Time.

COOKBOOK CLUB

The library has started a new program called Cookbook Club. The group meets quarterly, with the next get-together on Thursday, October 5 at 7:00 p.m. You can sign up for this in the library beginning in September. Cookbook Club features a different cookbook each meeting. Participants select a recipe from the book and make that dish for the evening's event.

Everyone meets in the library and gets to sample all the dishes made. We also discuss each dish and the cookbook in general. This has become very popular, so signups are first come, first serve. We ask that each participant make one dish and that you follow the recipe exactly as written for allergy purposes. Join us for these fun nights in the library!

DIRECTOR'S MESSAGE (CONTINUED)

Our newest program, Cookbook Club, is being held quarterly and has become very popular. They are wonderful evenings filled with food and fun discussion.

We have partnered with Paint-A-Treasure studio to bring Canvas Art Days to the library, which have been well attended. Keep an eye out for more in the future.

There is so much going on at your library and I am truly proud of what we are able to offer. One thing we are excited about that I have dreamed of doing for years, an outdoor movie on Station Avenue, is finally happening on August 4! We are going to show Moana on a 26-foot screen. I think this event is going to be an instant classic for families in town.

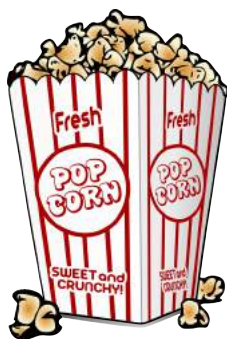

We continue to expand our ebook offerings as well as our popular museum pass program. Our quiet room was recently updated, bringing with it a technology upgrade. Finally, our new website will launch in August, giving you a much more user friendly experience.

The staff and I continue to look to improve the library and its services. Suggestions are welcome. If at any time you have any questions, concerns or recommendations, please contact me at 547-7132 or chris@haddonheightslibrary.com. You can also stop by the library and see me. My door is always open.

2017 HOUSE TOUR

The 2017 Holiday House Tour is already in the planning stages and we have some wonderful homes lined up. We are still in need of a few more. Let's keep this wonderful holiday tradition alive. If you would like to volunteer your home or if you would like to serve on the committee, please contact Chris Walter at 547-7132.

QUIET ROOM UPDATE

The library's quiet room recently underwent renovations, thanks to an Eagle Scout project by Charles Whitman. The room has a fresh coat of paint and trim, along with some other cosmetic changes.

The big upgrade however is the addition of a Microsoft Surface tablet and a projector. These can be used by anyone, but were added specifically for tutors and small groups to meet. It will also provide a space for someone who needs to use a computer while on their cell phone.

These upgrades are very important and we thank Charles and his wonderful group of volunteers for seeing this project through.

NOTARY SERVICES

The library offers Notary Public Services for the benefit of the residents of our community. Customers are encouraged to call ahead to ensure a Notary is available. Notary service is not available for Deeds, Wills, Living Wills, Living Trusts, Codicils or Depositions. While donations are accepted, this service is free.

“Build A Better World” Reading Program

The Haddon Heights Library is a wonderful place for families to spend time this summer and be inspired, thanks to our summer reading program. The program is free and encourages children and their families to become library users and lifelong readers.

This year’s program, **Build a Better World**, is already in full swing. But it is never too late to register. Stop by the library today to join the program and participate in the fun!

The Summer Reading Program will run through August 25 and concludes with our end of the summer party on September 8.

We are asking all families to donate a few LEGO bricks when they visit, which will be used by the children at the party to create a giant LEGO masterpiece.

Throughout the summer, children are encouraged to spend some of their free time reading and tracking their progress. Parents are also encouraged to read with their children. The end of the summer party for all registered readers features food, entertainment and treat bags.

If you have any questions regarding the program, please call 547-7132 and ask for Kathi Bernardi.
